Indoor Classroom Spaces

Our growing children's ministry meets in the bedroom of Hope House, and our junior high students meet outside. We want plenty of spaces where families feel comfortable bringing their kids.

Event Spaces

Hope Barn & Gardens is hosting twice the weddings we projected, and graduation ceremonies, memorial services, and many community events. We desperately need more spaces to host our community.

Kitchen, Storage & Parking Space

Our tiny kitchen, overflow gravel parking, and rented storage shed are put to vigorous use hosting hundreds of people each week for worship and events. We're quickly outgrowing our space.

HI, DEAREST FRIENDS!

We are so grateful for those who stepped out in faith 12 years ago to launch Hope Church from our home, then for all who stretched their faith to buy our chairs and equipment to move into Norterra school. We think of those who sacrificed 5 years ago, so we could buy our current property and build a beautiful space for our community to gather, worship, learn and grow!

would you join us in praying and supporting God's next call for us to purchase the land and create the next phase of our campus!

Looking forward,

Pastor Paul and Carol and the Building Hope Leadership Team

When we first landed on our Hope campus, we knew that our buildings and parking wouldn't be large enough to support our growth, but it was a start. We are thankful that some families from Hope purchased this adjacent land and have been holding it until the time came to expand. And that time has come!

Among our most critical needs is space for our children and youth. Please join me in learning about our next phase of growth in this brochure, then

CLARESA BRAY

"When I started bringing my daughters to Hope, Jordan kept saying, 'I can't wait to go back.' She counted the days on the calendar until she could be in kids ministry again, and it made me attend more."

Building Hope Leadership Team

Dan Kammrath (Honorary Chairperson), Troy and Barb Hailpern, Michael and Brittany Sawyer, Mark and Tonya Sorensen, Mark and Sue Abram, Susan and Dave Black, Brad and Betsy Allen, Ron Scott, Phil Fox and Nicole Cavanaugh, Don and Lisa Shunkwiler, Trey and Susie Neemann, Janay Poole, Linda Alberino, Erin Brownback, Paul and Carol Sorensen

OUR VISION

Hope's Master Plan is our vision for the growth of our church home and community. It allows us to grow over the next few years as specific needs arise, and the Lord provides.

The design elements will promote our warm, welcoming atmosphere, and continue to create safe spaces where people of all ages feel confident to be challenged and grow in their faith.

The adjacent property was purchased by four families who have been holding it until we are ready to buy it. That time is now! After purchasing the land, we plan to build a classroom that can be used as a multipurpose room or space for children—our most pressing need. From there, we will build the property in stages based on the needs in our community, with flexible plans to include:

MULTIPURPOSE BUILDINGS 7, 8, 10, 14

classrooms, small groups, leadership training, nursery

PAVILION 16

basketball court, covered wedding space, or larger worship sanctuary

PARKING 5, 17, 18

accommodate 134 vehicles, including eight ADA spaces

RECREATION AREAS 1, 11, 12

children's ministry, worship gatherings, community events

AMPHITHEATER 13

additional outdoor gathering space

OFFICE BUILDING 15

for our growing Hope Church and Hope Barn & Gardens teams

INDOOR & OUTDOOR KITCHENS 6, 9

for volunteers and caterers at worship, weddings, and events

CURRENT BUILDINGS 2, 3, 4

MASTER PLAN IN PHASES

KERRY S.

"We can't say enough good things about Hope Barn and Gardens! The venue is beautiful! From the wood details and huge glass doors inside to the green grass and waterfall outside.. Everything was perfect!!!"

DAN KAMMRATH

"I am giving because I believe in Hope's mission and building additional capacity for expanding Hope's outreach and spreading the gospel to many more and the next generation."

HOW YOU CAN HELP >>>>

PRAY

You can pray for God's provision as we embark on this exciting journey together.

GIVE

You can give a one-time gift by donating online to our building fund at: hopechurch.me/buildinghope or mailing a check or cash.

COMMIT

You can prayerfully consider contributing a set amount each month over two years to expand our property and reach.

NEXT PHASE COSTS

- Land: \$465,000
- Design: \$50,000
- Infrastructure: \$100,000
- Landscaping: \$25,000
- Classroom: \$350,000
- Recreation: \$25,000
- Contractor: \$50,000

Total: \$1,065,000

"For I can testify that they gave not only what they could afford, but far more. And they did it of their own free will. They begged us again and again for the privilege of sharing in the gift for the believers in Jerusalem." 2 Corinthians 8:3-4

Hope Church begins in the Sorensen's home.

Elevate Coffee is built and used as an office, and place for meetings, gatherings, and other mid-week events.

Hope's current property is purchased, and the first phase of construction begins.

Hope Barn & Gardens hosts its first wedding.

The "Building Hope" campaign launches. The projected completion date for the first phase of construction.

Hope Church hosts its first on-campus Vacation Bible School.

The projected groundbreaking date for Hope's Master Plan.

JEAN OLSON

"We chose Hope for my husband Greg's memorial service because we felt loved and cared for here, and surrounded by the community who calls this church home."

ERIKA LYNN PETERS

"We absolutely loved getting to make use of this unique space because its simplicity creates such elegance."

EMMA & STEVE ELSNER

"Being a young married couple far away from where we grew up, one of the things we love about Hope is the genuine family feel we have each Sunday in worship, and during the week when we meet in each other's homes."

While we always want to take God's love out to our neighbors—we also want to be able to welcome them into our Hope home with open arms.
